OPEN DOOR
POLICY FOR
CHILDREN
13 YEARS & OLDER

Dear Parents and Guardians,

Please understand that the Boys & Girls Clubs of Indian River County has an *open door policy for children 13 years and older*. That is, it offers a drop off program with a variety of scheduled activities to choose from. We are not a child/day care program. For your child’s utmost enjoyment, we suggest that you plan your child’s visits around the scheduled activities offered throughout the day.

We do not have a formal sign in or sign out procedure. We are counting on you as the parent/guardian to have a relationship with your child whereby your child respects your wishes and will stay at the Club for the hours you say so.

Again, we maintain an **open door policy for children 13 years and older**. It is understood and agreed that these members may come and go as they desire. The Boys & Girls Club of Indian River County will not be held responsible or liable for any member leaving the facility.

Open Door Policy Acknowledgement and Permission Slip

The Boys & Girls Clubs of Indian River County is not a licensed day care provider as defined by the state of Florida and operates under an *open door policy*, which means that members can come and go as he/she desires. The Boys & Girls Clubs of Indian River County will not be held responsible or liable for any member leaving the facility.

In order to carry through with your desires for your child's visits to the Club, we are willing to attempt to monitor whether your child leaves the grounds or not. We have created this permission slip to help us know which children are expected to stay at the club and which ones have permission to come and go as they desire.

By signifying “YES” on this permission slip, you are stating that your child has permission to come and go to the Boys & Girls Club as they desire, no questions asked. You are also stating that you understand that your child is not being supervised during his/her time away from the Club.

By signing “NO” to this permission slip, you are stating that you do not want your child to leave the Club until you pick them up. You are stating that your child will stay at the club because you say so, not because we do. You are also stating that if your child tries to leave you understand that we will encourage your child to stay, but we cannot force him/her to stay. You also understand that we cannot be held liable if your child does leave without your permission.

We will attempt to notify you if your child leaves without your permission.

YES, my child _____ is **13 years or older** and has permission to come and go to the Boys & Girls Club as he/she desires.

NO, my child _____ does not have my permission to come and go to the Boys & Girls Club as he/she desires.

**MEMBER EXPECTATIONS AND
THREE STRIKE POLICY**

In an attempt to create a more positive atmosphere, the staff of the Club feels it is appropriate to review the rules of the Clubs with its members and guardians. It is the sincerest desire of the staff to provide a fun, safe, educational atmosphere in the Club. Please review the list of rules and the Three Strike Policy.

As a Boys & Girls Club Member, I agree that during my participation in the Boys & Girls Club I will abide by the following rules:

- I will respect my fellow Boys & Girls Club members, staff, and volunteers.
- I will not intentionally damage or destroy the property of others or Club property.
- I will at all times be in an area that is supervised by a staff member.
- I will not gossip or talk negatively about another Club member, staff, or volunteer.
- I will wear appropriate attire.
- I will not use my cell phone or any other wireless communication devices while I am at the Club.
- I will not discuss or participate in a discussion with sexual content.
- I will not use or discuss cigarettes, drugs, or alcohol.
- I will not touch another Club member.
- I will not hit, kick, or be physically or verbally abusive to another Club member.
- I will not take things that do not belong to me.
- I will have a positive attitude.
- I will play fairly and be honest.
- I will bring my Club Card everyday.
- I will resolve disagreements in a positive way and turn to staff for help.
- I will not yell or run inside the Club.
- I will not use inappropriate language.

Three Strike Policy

Pre-Strike: Staff member will inform Club member that he/ she is breaking a rule and will provide an example of alternative behavior.

First Strike: Staff member tells Club member that he/she has continued breaking rules. Member will be “written up” and guardian will be informed of the situation. Guardian and member will also be informed that if member does not start abiding by rules, next strike will result in a 2- day suspension.

Second Strike: Staff member will remind Club member that he/ she will be suspended for 2 days. Guardian will be informed of suspension and situation causing suspension. Re-entry into Club will be allowed with written letter of apology to Club members and staff. Staff, guardian, and member will then sit down and determine a “strategy” to prevent member from reaching Strike Three.

Third Strike: Member and guardian will informed of situation and member will be suspended from Club and not permitted on Club property for two weeks. Re-entry into Club will be allowed only with a meeting of staff, guardian, and member discussing the problems that resulted in the suspension. A corrective plan will be developed and agreed to by staff, guardian, and member before re-entry is permitted. Information on self-control, anger management, and conflict resolution will be provided to the member.

Irrespective of the Three Strike Policy, Club staff may take any action deemed appropriate, including immediate and permanent dismissal of an offending member, to ensure the safety of members and staff, to protect property, and/ or to ensure orderly conduction of Club activities.

I have read and will abide by the Member Rules and Expectations and understand the Three Strike Policy:
